July 1, 2017

Dear Parent/Guardian of an Orangeville High School Student:

Orangeville High School has an extracurricular drug and alcohol testing program and will be testing during the 2017-18 school year in order to maintain and improve the health of students and help curtail drug and alcohol use.

To be eligible to try out or participate in any of the affected extracurricular activities, students must agree to submit to random testing for the use of prohibited substances in accordance with Board of Education Policy 7:240. Testing will be held monthly during the entire school year in a random and mandatory manner.

Those extracurricular activities that are covered by this substance abuse testing program include, but are not limited to:

Band/Choir	Baseball	Basketball	FFA
Football	Hockey	Musical/Drama	Softball
Speech	Volleyball	Wrestling	

Parents/Guardians need to fill out the attached permission form if your student plans on participating in any extracurricular activities. The permission form is to be turned into the coach/sponsor at the first parent meeting of that particular fall activity. Participation sign up in the other activities can be done during student registration and all forms must be turned into the office by Friday, September 1, 2017. NO EXCEPTIONS.

Sincerely,

Dr. Douglas DeSchepper
Superintendent
