

**From The Desk Of:
Dr. Douglas J. DeSchepper
Orangeville CUSD #203 Superintendent**

Welcome Elementary Parents/Guardians

The Elementary Entrance for PK - 5 is located at the South end of the building and is where all elementary students will enter/leave the building.

You may drop off students at the blacktop area before the bus circular entrance at the south end of the building. Direction of drop off is from South to North on Quarry Lane. **Do not** enter the circular entrance where buses are located.

Students will load and unload buses in a timely order. All buses will be in the circular driveway before students are allowed to depart the buses.
