August 15, 2019

Dear Parents:

I would like to take this opportunity to welcome everyone to the 2019-2020 school year. We are excited about our remodeled building and the new facility. We are looking forward to an adventure as we start a new era this year.

In order to provide the best start to the school year, the Board of Education had decided to move the first day of student attendance to September 6, 2019.

This will be a 1:15 pm dismissal and give the students an opportunity to get orientated with the building and discuss expectations with the staff. As the construction will be ending on August 23rd, time is needed to provide a clean educational environment for students, and also provide teachers the opportunity to have classrooms prepared for students. The Board of Education felt that this was the best decision on behalf of all students & staff. At the Special Board meeting on August 19th, the remainder of the calendar will be approved and sent out to everyone.

This will make sure the school is clean, moved in and 100% ready for the following events:

- September 4th & 5th Teacher Institute Days
- September 5th Meet the teacher night 5:00 - 6:30 p.m.
6th Grade Orientation from 7:00 - 8:00 p.m. in LMC.
- September 6th First Day for Students to receive Orientation to Building and Expectations at all levels. 1:15 pm dismissal.
- September 9th First Day for PASS students (Pre-school)
- Open House TBA toward end of September.

Cordially,

Douglas J. DeSchepper, Ed.D
